

Gravograph Manual Engraving Machines

IM3 Engraver (19901)

No experience required

Easy to use

\$3,208 + 10% GST

IM3- (19901) \$2,750
Slider- (20114) \$115
Copy (20087) \$343

The engravers are supplied with font set 1100/24, which by changing the pantograph ratio (30 seconds time) and selecting the correct cutter will produce engraved text as sample right. Two cutters of your choice are supplied with the machine.

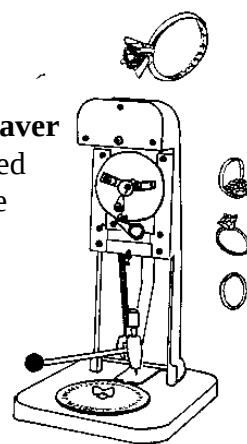

Both the IM3 and the ITM are ready to plug in and start engraving.
